

OFFICE OF THE INFORMATION AND PRIVACY COMMISSIONER

FINANCIAL STATEMENTS

For the Year Ended March 31, 2018

INDEPENDENT AUDITOR'S REPORT

To: The Members of the Legislative Assembly of Saskatchewan

I have audited the accompanying financial statements of the Office of the Information and Privacy Commissioner which comprise the statement of financial position as at March 31, 2018, and the statements of operations and accumulated surplus, changes in net debt, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Office of the Information and Privacy Commissioner as at March 31, 2018, and the results of its operations, changes in its net debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

OFFICE OF THE INFORMATION AND PRIVACY COMMISSIONER
NOTES TO THE FINANCIAL STATEMENTS
for the year ended MARCH 31, 2018

1. Authority and Description of Operations

The Freedom of Information and Protection of Privacy Act (Act) states that the Lieutenant Governor in Council, on the recommendation of the Assembly, shall appoint an Information and Privacy Commissioner. The Commissioner is an officer of the Legislative Assembly and is appointed by resolution. The mandate of the Office of the Information and Privacy Commissioner (Office) is to review Government decisions under the Act to ensure the protection of the public's right to access records held or controlled by the Government and to ensure that personal information is only collected, used and disclosed according to the manner and purposes set out in the Act.

2. Significant Accounting Policies

The Office is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards. The Office maintains a system of accounting and administrative controls to ensure that accurate and reliable financial statements are prepared and to obtain reasonable assurance that transactions are authorized, assets are safeguarded, and financial records are maintained. These statements do not include a Statement of Remeasurement Gains and Losses as the Office has no activities that give rise to remeasurement gains or losses. As a result, the accumulated surplus is the same as its accumulated operating surplus. The following accounting policies are considered to be significant.

(a) Revenue

The Office receives an appropriation from the General Revenue Fund to carry out its work. General Revenue Fund appropriations are included in revenue when amounts are spent or committed.

(b) Tangible Capital Assets

Tangible capital assets are reported at cost less accumulated amortization. Tangible capital assets are capitalized when the purchase amount is at or above the thresholds noted below for each category and amortized on a straight-line basis over the indicated time period:

System Development	\$1,500/10 years
Computer Hardware	\$1,500 / 5 years
Computer Software	\$1,500 / 5 years
Furniture and Equipment	\$1,500 / 10 years
Leasehold Improvements	\$1,500 / Lesser of remaining useful life or current lease term

(c) Sick Leave Benefit Obligation

The Office has an obligation to record a sick leave benefit obligation based on accumulated employee sick leave entitlements. A liability for vesting or accumulating sick leave is recorded in the year the employee provides services in return for the sick leave benefits. This liability is only recorded if it is expected to be significant to the organization.

(d) Accounting Standards Adopted

On April 1, 2017, the Office adopted Public Sector Accounting Standards PS 2200 Related Party Disclosures, PS 3210 Assets, PS 3320 Contingent Assets, PS 3380 Contractual Rights, and PS 3420 Inter-Entity Transactions. Adoption of these standards has not resulted in any changes to financial results or disclosures.
