PIA

Privacy Impact Assessment

My local authority would like to install video surveillance in our town office, can we?

- Is the use of video surveillance lawful?
- Is video surveillance necessary?
- Are there any stakeholders that should be consulted?
- Will the duty to protect be met?
- What measures can be taken to minimize the impact to personal privacy?
- What safeguards should be put in place to properly protect the personal information?
- How will access to information requests for video surveillance footage be handled?
- How will video surveillance programs be evaluated and monitored?
